

## Transfer Station Complex Parking Guide

The Transfer Station Complex is located at 1299 Harrisburg Pike, Lancaster, PA 17603.

After turning into the complex at the traffic light, head towards the scalehouse but instead of getting in line with traffic, make a slight left into the parking lot located between the large two-story brick Transfer Station building and the scalehouse. **Parking is available in the lot adjacent to the Transfer Station building for all visitors.**

A LCSWMA employee will meet you on the sidewalk next to the Transfer Station parking area to begin your tour.
