RE: Creswell Landfill; Landfill Gas Monitoring; BWM Permit #10008
3rd Quarter 2015 Perimeter %LEL LFG Report

Dear Mr. Rawski:

In accordance with the Municipal Waste Management Regulations (§273.292 – “Gas Control and Monitoring”), the Lancaster County Solid Waste Management Authority (LCSWMA) continues quarterly monitoring of methane gas levels at the perimeter of the above referenced facility.

LCSWMA personnel completed monitoring of sample points along the facility boundary and in adjacent buildings and structures on September 24, 2015. The results of this monitoring are attached. No sampled peripheral locations, structures or landfill gas monitoring probes (sampled 9/29/15) were found to contain methane, while one (1) manhole, internal to the landfill, was found to contain methane.

Please do not hesitate to contact me at mreider@lcswma.org.

Respectfully Submitted,

Mark D Reider
Environmental Manager
