Joseph R. Deerin Appointed to Board of Directors for LCSWMA

LANCASTER, Pa. —The Lancaster County Commissioners recently appointed Joseph R. Deerin to the nine-member Board of Directors for the Lancaster County Solid Waste Management Authority (LCSWMA). Deerin will fulfill the remaining term for John S. Kassees, who passed away in August 2012.

Deerin is owner, president, broker of record and property manager for Property Management Alternatives, Inc. dba LMS Commercial Real Estate in Lancaster County; where he directs strategic planning, business development, client management, implementation of new technology and daily operations. Deerin also serves on the Board of Directors for the Susquehanna Gateway Heritage Area and the Committee for the DCAD of the Pennsylvania Dutch Council of the Boy Scouts of America.

“Joseph offers extensive knowledge of the real estate industry, as well as adeptness in strategic planning and organizational management,” says Jim Warner, Chief Executive Officer for LCSWMA, “His appointment to our Board of Directors illustrates the County Commissioners continued prudence at selecting individuals with diverse expertise for governing the Authority with wisdom and excellence.”

###

LCSWMA is recognized nationally for its leadership in the industry and innovative approach to waste management. Its Integrated System consists of: (1) a Transfer Station permitted to handle up to 2,200 tons per day; (2) a 1,200 tons per day mass burn Waste-to-Energy Facility for the combustion of waste and production of electricity; (3) the Frey Farm Landfill, permitted for the disposal of 2,000 tons of waste per day; (4) a County-wide recycling program; and (5) a drive-through Household Hazardous Waste Facility. LCSWMA's mission is to manage solid waste and recyclable materials in an environmentally safe, reliable and efficient manner.
