### **LCSWMA Hosts First Ball Game on New Field at Creswell Park**

LANCASTER, Pa. —Lancaster County Solid Waste Management Authority (LCSWMA) will host the first baseball game on the newly constructed ball field, located at Creswell Park in Manor Township, on Thursday, April 12<sup>th</sup> at 6:00 p.m.

The first ball game will feature an opening ceremony with LCSWMA's CEO, James Warner, throwing out the first pitch and a short presentation by the Penn Manor Youth Baseball & Softball Association (PMYBSA). LCSWMA, sponsor of the home team, will hand out goody bags for all players and spectators. Turkey Hill Dairy will offer free drinks and ice cream.

LCSWMA built the new ball field as part of its continued effort to support the local Manor Township community, the township in which its Frey Farm Landfill is located. Construction was completed in September 2011, but due to extremely wet weather conditions, PMYBSA could not schedule games on the field until spring of this year.

###

LCSWMA is recognized nationally for its leadership in the industry and innovative approach to waste management. Its Integrated System consists of: (1) a Transfer Station permitted to handle up to 2,200 tons per day; (2) a 1,200 tons per day mass burn Waste-to-Energy Facility for the combustion of waste and production of electricity; (3) the Frey Farm Landfill, permitted for the disposal of 2,000 tons of waste per day; (4) a County-wide recycling program; and (5) a drive-through Household Hazardous Waste Facility. The Authority's mission is to manage solid waste and recyclable materials in an environmentally safe, reliable and efficient manner.
