2.2 Commencement of Contract Time

The Contract Time will commence to run on the Effective Date of the Procurement Agreement.

Article 3. INTENT OF PROCUREMENT DOCUMENTS

3.1 The Procurement Documents comprise the entire agreement between LCSWMA and SUPPLIER concerning the furnishing of the Goods and Special Services. Only a Change Order may alter the Procurement Documents.

3.2 If during performance of the Procurement Agreement, SUPPLIER finds a conflict, error or discrepancy in the Procurement Documents, SUPPLIER shall so report to LCSWMA in writing at once and shall obtain a written interpretation or clarification from LCSWMA. Nothing herein shall be deemed to excuse the obligations of SUPPLIER provided under Article 4 of the Instructions to Bidders.

3.3 All materials, equipment and services that may reasonably be inferred from the Procurement Documents as being required to produce the intended result will be supplied by SUPPLIER whether or not specifically called for.

Article 4. BONDS AND INSURANCE

This Bond shall remain in effect for period specified. SUPPLIER shall also furnish other bonds or securities if specified.

4.2 If the surety on any Bond furnished by SUPPLIER is declared bankrupt or becomes insolvent or its right to do business is terminated in the state of the point of delivery or the surety ceases to meet the requirements of the Procurement Documents SUPPLIER shall within five (5) days thereafter substitute another Bond and surety, both of which must be acceptable to LCSWMA.

5.3 LCSWMA shall conduct an inspection and final acceptance of the Goods within a reasonable time after delivery. LCSWMA may conduct an initial inspection of the Goods for limited purposes such as identification of the Goods and verification of general quantities, but in no event shall any such inspection be deemed to be a final inspection or acceptance. Should any defects be determined by LCSWMA prior to final acceptance, LCSWMA may, in addition to all

other rights afforded by law, equity or this Agreement, elect at its option to (1) have the SUPPLIER, at its cost, cure the defect within a time established by LCSWMA, (2) effect a cure and deduct the cost (including administrative costs of LCSWMA) thereof from the contract price, (3) terminate the contract and/or (4) accept the Goods as is and deduct the value of the defect from the contract price.

Unless otherwise specified, the Goods, and all materials incorporated in the Goods, will be new and of good quality and in conformity to the Procurement Specifications. All workmanship will be of good quality and free from defects. SUPPLIER shall, if required by LCSWMA, furnish satisfactory evidence as to the source, kind and quality of the materials incorporated in the Goods. Competent and qualified personnel will perform special Services.

7.3 Substitute Goods or Material

Goods or materials may be specified or described in the Procurement Documents by using the name of a proprietary item or the name of a particular manufacturer, fabricator, supplier or distributor. Any bid that proposes Goods or materials other than that specified or described in the Procurement Documents may be considered non-responsive and may be rejected.

Any Bidder who desires to submit a bid incorporating Goods or materials other than that specified or described in the Procurement Documents must submit a written request for approval of substitute Goods or materials to LCSWMA no less than seven (7) days prior to the scheduled bid opening date. Any such request for substitute Goods or materials will be considered only if it contains all information deemed necessary by LCSWMA for a thorough evaluation. LCSWMA will make a determination regarding the acceptability of the proposed Goods or material in favor of the best interest of LCSWMA. LCSWMA is under no obligation to approve such Goods or material. In the event LCSWMA approves any proposed substitute Goods or materials LCSWMA will issue an addendum to the Procurement Documents incorporating such substitutes as acceptable Goods or materials.

9.1 Without invalidating the Agreement, LCSWMA may, at any time or from time to time, order additions, deletions or revisions in the Goods or Special Services; these changes will be authorized by Change Orders. Upon receipt of a Change Order, SUPPLIER shall proceed on the basis of the change involved. If any Change Order causes an increase or decrease in the Contract Price or an extension or shortening of the Contract Time, an equitable adjustment will be made on the basis of a claim made by either party.

9.2 LCSWMA may direct minor changes in the Goods or Special Services not involving an adjustment in the Contract Price or the Contract Time, which are consistent with the overall intent of the Contract Documents.

Article 10. CHANGE OF CONTRACT PRICE

10.1 The Contract Price constitutes the total compensation (subject to authorized adjustments) payable to SUPPLIER for furnishing the Goods, Special Services and performing other services in connection therewith. All duties, responsibilities and obligations assigned to or undertaken by SUPPLIER shall be at SUPPLIER's expense without change in the Contract Price.

10.2 The Contract Price may only be changed by a Change Order. Any claim for an increase in the Contract Price shall be based on written notice delivered to LCSWMA within fifteen (15) days of occurrence of the event giving rise to the claim. Any change in the Contract Price resulting from any such claim shall be incorporated in a Change Order.

Article 11. CHANGE OF CONTRACT TIME

Any change in the Contract Time resulting from any such claim shall be incorporated in a Change Order.

11.2 All time limits stated in the Procurement Documents for performance by SUPPLIER of SUPPLIER's obligations are of the essence.

Article 12. WARRANTY AND GUARANTEE; TEST AND INSPECTIONS, CORRECTION, REMOVAL OR ACCEPTANCE

SUPPLIER warrants that the Goods shall be free from any defects in materials or workmanship and shall perform as intended for the manufacturer's standard warranty periods. This warranty shall be the warranty provided by the manufacturer and SUPPLIER shall insure that the standard warranty issued by the manufacturer is available to LCSWMA as a purchaser of the Goods called for by the Procurement Agreement, in privity of contract with manufacturer. The warranty provided by SUPPLIER shall commence from the date of final acceptance. During the warranty period SUPPLIER shall cure, at SUPPLIER'S sole cost, any defects in materials, workmanship or operational ability. SUPPLIER warrants that the Goods are merchantable and fit for the particular purpose for which they are sold under the Procurement Agreement. Any costs incurred by LCSWMA, direct, indirect or consequential, as a result of any breach of warranty or of any other breach of the obligations of SUPPLIER under the Procurement Agreement, shall be reimbursed by SUPPLIER or, at the option of LCSWMA, may be set off against the payments due under the Procurement Agreement.

Article 13. CANCELLATION AND TERMINATION

13.1 In addition to the right to terminate this Procurement Agreement afforded by law, equity or other provisions of this Procurement Agreement, LCSWMA may terminate this Procurement Agreement upon the occurrence of any one or more of the following events:
