## Lancaster County Solid Waste Management Authority

June 21, 2024

## Public Comments—Arthur Morris

I understand that the January 1, 2018, Master Professional Services Agreement with Covanta contemplates capital improvements. It appears that, under the Agreement, Covanta was to solicit bids for capital improvements in excess of the \$18,500 base amount. I have made a RTK request to the Authority to identify how these improvements were advertised and procured.

In addition, fire protection projects are being carried out at both the Lancaster and Harrisburg facilities with collective costs of \$6,396,074. These projects were not contemplated in the January 1, 2018 Master Agreement and, consequently, the Authority and Covanta revised the Agreement on February 26, 2024 to include them. Would you please advise how these capital improvements were bid? Specifically, were they publicly advertised?

In asking these questions, I have two related concerns.

- 1. Whether the Authority may legally include contemplated capital improvements in a master agreement for another party, in this case Covanta, to acquire on the Authority's behalf and, if they may, is the other party, Covanta, required, on behalf of the Authority, to meet the same public bidding requirements that the Authority is legally obligated to follow?
- 2. Also, is it appropriate for the Authority to modify the Master Agreement to include capital improvements, totaling approximately \$6.34 million, that were not contemplated at the time of the Master Agreement? And, if it is appropriate, is Covanta required to meet the same public bidding requirements that the Authority must legally meet?

Finally, your June 16, 2023 meeting minutes contained estimates totaling \$2,626,348, dated June 2, 2023, for the two fire protection projects. However, the total amount approved at your Special Board meeting of February 26, 2024, and included in the February 26, 2024 revised Covanta Agreement, is \$6,396,074. In checking all of the Board meeting minutes for the last quarter of last year and the first two months of this year, I can only find one brief reference or explanation for such a large variance: change in scope and management fee reduction. I say brief as your February 26 Special Meeting only lasted 18 minutes. Please advise when the Board members deliberated and discussed, in detail,

reasons for this increase of \$3,769,726, or 143%. Also, could you provide the breakdown of costs for each location? Please note that the original estimated costs-back in June of last year, were broken down but I couldn't find any such breakdown for these increased amounts.

Thank you.

#### Commercial Account Agreement Overdraft Notice Please Read

Notice: Small business/Non-Profit and Commercial account holders are automatically enrolled in the bank's Overdraft ElectTM program. In this program, the bank may (or may not, in our discretion) authorize and pay items up to your assigned overdraft limit for all your transactions including everyday debit card and ATM transactions when your account does not have sufficient available funds.

The Bank's current Non-Sufficient Funds (NSF) fee or Overdraft (OD) fee is charged to your account for each NSF/OD transaction, whether returned or paid. For each consecutive business day (after three consecutive business days) that you have a negative balance, we will charge you an extended overdraft fee. The amounts of these fees are listed on the Small Business/Non-Profit Service Fee or Commercial Service Fee Disclosures. Additional information on the program is available on the bank's website, and financial center locations.

In this program, the bank may (or may not, in our discretion) authorize and pay items up to your assigned overdraft limit for all your transactions including everyday debit card and ATM transactions when your account does not have sufficient available funds.

The Bank's current Non-Sufficient Funds (NSF) fee or Overdraft (OD) fee is charged to your account for each NSF/OD transaction, whether returned or paid. For each consecutive business day (after three consecutive business days) that you have a negative balance, we will charge you an extended overdraft fee. The amounts of these fees are listed on the Small Business/Non-Profit Service Fee or Commercial Service Fee Disclosures. Additional information on the program is available on the bank's website, and financial center locations.

#### **GENERAL INSTRUCTIONS**

#### What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

#### Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

## What Information do I have to provide?

This form requires you to provide the name, address, Date of Birth and Social Security number (or passport number or other similar information, in the case of non-U.S. persons) for the following individuals (i.e., the beneficial owners):

- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer); and
- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (ii), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (ii), you must provide the identifying information of one individual under section (i). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (i)), and up to five individuals (i.e., one individual under section (i) and four 25 percent equity holders under section (ii)). The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.

#### Commercial Account Agreement Overdraft Notice Please Read

Notice: Small business/Non-Profit and Commercial account holders are automatically enrolled in the bank's Overdraft ElectTM program. In this program, the bank may (or may not, in our discretion) authorize and pay items up to your assigned overdraft limit for all your transactions including everyday debit card and ATM transactions when your account does not have sufficient available funds.

The Bank's current Non-Sufficient Funds (NSF) fee or Overdraft (OD) fee is charged to your account for each NSF/OD transaction, whether returned or paid. For each consecutive business day (after three consecutive business days) that you have a negative balance, we will charge you an extended overdraft fee. The amounts of these fees are listed on the Small Business/Non-Profit Service Fee or Commercial Service Fee Disclosures. Additional information on the program is available on the bank's website, and financial center locations.

#### **GENERAL INSTRUCTIONS**

#### What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

#### Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

## What Information do I have to provide?

This form requires you to provide the name, address, Date of Birth and Social Security number (or passport number or other similar information, in the case of non-U.S. persons) for the following individuals (i.e., the beneficial owners):

- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer); and
- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (ii), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (ii), you must provide the identifying information of one individual under section (i). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (i)), and up to five individuals (i.e., one individual under section (i) and four 25 percent equity holders under section (ii)). The financial institution may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form.

**ISSUE:** Purchase of New Walking Floor Trailer Materials

#### **BACKGROUND:**

LCSWMA utilizes a fleet of transfer trailers to move waste between facilities. These transfer trailers utilize a "walking floor" to unload the trailers once they reach their destination. Continued use of these walking floors contributes to significant wear and damage. To ensure the equipment operates safely and effectively the walking floors are replaced regularly.

## **DISCUSION:**

Staff developed a bid package based on the required equipment specifications for materials for nine (9) new walking floors. The bid was publicly advertised, and pricing received from local vendors. **ISSUE:** Change Order No. 1 to Kinsley Construction, Inc. for the Frey Farm Vertical Expansion Leachate Infrastructure Project

**BACKGROUND:** A contract was awarded at the June 16, 2023 Board of Directors meeting to Kinsley Construction, Inc. for the Frey Farm Vertical Expansion Leachate Infrastructure Project. The improvements associated with the Frey Farm Vertical Expansion (FFVE) Project include modifying the existing Frey Farm Landfill Leachate conveyance system from a traditional gravity system to a pumped force main system and moving leachate infrastructure outside of the footprint of the mechanically stabilized earth berms. These modifications require, and the Leachate Infrastructure Project scope includes, the installation of a new leachate pump station and the relocation of numerous leachate manholes and force mains. The original contract price was \$2,458,000.

**DISCUSSION:** Due to unforeseen site conditions and LCSWMA requested changes Kinsley's scope of work increased. The increased scope of work will include modifications to the site electrical infrastructure as well as address unforeseen site conditions that were identified during construction. Change Order No. 1 would increase Kinsley's current contract amount to complete the additional items added to their scope of work.
