

# Lancaster Facilities Rate Schedule

Effective January 1, 2026

| MATERIAL TYPE                                           | LOCATION                       | TIP FEES                                                                                 |
|---------------------------------------------------------|--------------------------------|------------------------------------------------------------------------------------------|
| Refuse <sup>(2)(4)</sup>                                | WTE/TS or LF<br>(Case-By-Case) | \$100.00 per ton                                                                         |
| Non-Processable Waste <sup>(1)(4)</sup>                 | LF                             | \$140.00 per ton                                                                         |
| Construction/Demolition <sup>(1)(3)(4)</sup>            | LF/TS or WTE<br>(Case-By-Case) | \$86.00 per ton                                                                          |
| Putrescible <sup>(1)(4)</sup>                           | LF                             | Case-By-Case                                                                             |
| Sewage Sludge <sup>(1)(4)</sup>                         | LF or WTE<br>(Case-By-Case)    | Case-By-Case                                                                             |
| Processed Infectious/Pathological <sup>(1)(4)</sup>     | LF                             | Case-By-Case                                                                             |
| Contaminated Soil <sup>(1)(4)</sup>                     | LF                             | Case-By-Case                                                                             |
| Friable Asbestos <sup>(1)</sup>                         | LF                             | \$200.00 per ton (one-ton min. charge)                                                   |
| Non-Friable Asbestos <sup>(1)(4)</sup>                  | LF                             | \$86.00 per ton                                                                          |
| Tires (Recyclable) - 15 And Under                       | ALL                            | \$5.00 per tire (cars & motorcycles) trucks<br>\$15.00 per tire (trucks - rim size >20") |
| Tires (Recyclable) - Over 15                            | LF or TS                       | \$200.00 per ton                                                                         |
| Tires (Non-Recyclable) <sup>(1)(4)</sup>                | LF                             | \$200.00 per ton                                                                         |
| Any Single Item 200 lbs. or less (Includes White Goods) | ALL                            | \$15.00                                                                                  |
| Single Stream Recyclables <sup>(6)</sup>                | TS or LF                       | \$70.00 per ton                                                                          |
| Yard Waste <sup>(5)</sup>                               | LF                             | \$30.00 per ton                                                                          |
| Wood <sup>(4)</sup>                                     | LF or WTE                      | \$86.00 per ton                                                                          |
| Wood - Oversize/Treated <sup>(4)</sup>                  | LF                             | Case-By-Case                                                                             |
| Residual <sup>(1)(4)</sup>                              | LF/WTE or TS<br>(Case-By-Case) | Case-By-Case                                                                             |
| Confidential Waste                                      | WTE                            | \$200.00 per ton (one-ton min. charge)                                                   |
| Public Scale Fee                                        | ALL                            | \$10.00                                                                                  |

fee equal to the greater of i.) \$50.00 or ii.) actual cost incurred, may be imposed on mixed loads.
